

Auction Action!

March 3, 2010

Work for the 2010 Auction is now in full swing! We are asking all Redeemer parents to participate in three ways:

1. Procure an item from a local business or service person – this is easy and fun! Next time you are at coffee, or dinner, or the orthodontist, or the dog groomer, or anywhere – ask for a donation! A donation form is attached to this newsletter. Feel free to make copies, and keep them with you! (If procurement fever hits, please contact Rick Harker at rick@theblackburnco.com, as the procurement team could use some additional people to follow up with businesses we have already contacted.)

Donation deadline to get the items into the catalog is March 19th!

2. Volunteer! We have tons of volunteer opportunities! Check the sign-up sheet on the table in the Office Lobby, or email Heather Segner at heatherseg@yahoo.com to find out how you can help!
3. Invite someone new to the Auction! You will be receiving your invitation to the auction later this week; it includes an invitation for you to pass on to someone who has never attended our event! It's such a fun event – share it!

If you have any questions or ideas, please contact any of the members of the Auction Executive Committee – we would be happy to hear from you!

Thank you!
