

Romans 2:4

Do you have contempt for God, who is very kind to you, puts up with you, and deals patiently with you? Don't you realize that it is God's kindness that is trying to lead you to him and change the way you think and act?

God, I have been unkind to others, justifying myself because I am "so good and don't really mean what I am saying.". But who is good but You, Lord? Forgive me for my pride and unkindness. It's really difficult at times when others are not listening to me to be kind in my response to them, but help me to always respond with kindness, grace, and humility for your glory!
