

INTIMACY WITH GOD

Intimacy with God . . . what is it and how is it attained? There are many methods, and often at times forgotten and or seemingly hard to accomplish. We know through scripture God knows each of us intimately from each hair on our head, loving us with all His heart to, never being alone.

Father we come to you in prayer knowing you created each of us with a longing for intimacy. You desire us and gave us your very best in the begotten Son. Our prayer is for you to work through our heart to feel your strength so that today we can boldly share your word and love one another as you have instructed us to.
