

John 10:27

My sheep hear my voice, and I know them, and they follow me.

Isaiah 30:21 And your ears shall hear a word behind you, saying, "This is the way, walk in it," when you turn to the right or when you turn to the left.

Plans go wrong for lack of advice; many advisers bring success. Proverbs 15:22

Help us listen, God. We are as little children delighting in your house, in your name. Give us gracious and merciful lips to turn others to You that they too would hear Your voice.

God, I ask in Jesus' powerful name that you would give us the grace to not only hear your voice but to listen to wise counsel, as in the multitude of counselors there is safety and wisdom. Help us not be afraid. Give us what we need to be generous and caring to others, financially, emotionally, and spiritually. Help us only listen to what You say of us, whether we hear that through the Word or through others' gracious words of truth to us. And help us to find that secret place with you and once we find that..to never let go. It is so easy to lose, but we hold that intimacy with you in high value. Let us listen to you to bring encouragement to the church.

'It is a very important aspect of parenting to build a hedge around our family and home. Truthfully, it is actually God who builds the hedge, but we have to do our part.'

-Above Rubies Ministries

Jesus, let us listen to you so that we bring protection to others lives, protection from the enemy. God you are so powerful, capable of doing anything that pleases Your name. You are great. We are human. We depend on you. Daily, moment by moment. I pray specifically for families in Minnesota, that they would listen to you and your guidance for them. That they would hear the voice of the Father and obey, and that they would protect their children by your grace by all that tries to deceive, whether that be negative aspects of culture, human nature, or the evil one. Abba, let families hear your voice and know how to build protective hedges that are of you and to listen to you.

Ultimately, let us listen to you so that our lives aren't determined by what others say we should do but by what the Father tells us to do. That we would hear the voice of the Father. That we would only do what we hear the Father doing. Forgive us for having such deaf ears. We love you Jesus. We turn to you to hear your voice. Teach us to be still before you and wait on you!
