COMING SOON TO A THEATER NEAR YOU!

I’d like to share two upcoming ministry activities:

1) On Wednesday, September 5th, kids and adults are invited to enjoy “dinner and a movie” as we resume our Wednesday Faith & Family Night ministry at Redeemer. The evening begins with dinner at 5:30 p.m. The new movie “God’s Not Dead: A Light In Darkness” will start at 6 p.m. It is 1 hour and 44 minutes in length.

A brief description: “Even in the darkest valleys of life, a little flame can show the way toward hope and healing. After a deadly fire tears through the Church of St. James, leaders at Hadleigh University use the circumstances to push the congregation off campus. The church is forced to defend its right to be on campus, and brings together estranged brothers for a reunion that opens old wounds and forces them to face the issues that drove them apart.”

Bring a friend to this exciting evening!

2) On Tuesday, August 21st, there will be a Confirmation Class Orientation Meeting for all students taking confirmation from me (Pastor Steve) at Redeemer Christian Academy (day classes) and Redeemer Lutheran Church (Wednesday afternoons).

All students and at least one of their parents are asked to attend this important meeting as we prepare for the coming year. Class materials will be handed out. This meeting is important even for those who do not plan to be confirmed at Redeemer Lutheran Church. The meeting begins at 5:30 p.m., and should last less than an hour. We will meet in the auditorium.

I look forward to seeing you at these activities. Until then, continue enjoying our amazing Minnesota summer days and nights that God has made for us to enjoy!

In Christ,

Pastor Steve
8TH GRADERS RECOGNIZED
Eight students comprised Redeemer Christian Academy’s class of 2018. Recognized for their academic excellence were Sydney Roepke, Valedictorian, and Kieffer Miskiw, Salutatorian.

WHAT’S YOUR STUDENT’S STORY?
We’d love to know how your Redeemer (Church and/or Academy) student is succeeding.

Please feel free to e-mail me with details at lwiebold@redeemerwayzata.org.

MEDIA CENTER RENOVATION
The media center at Redeemer is undergoing a huge transformation. It all started with Day School Board member, Kai Kroll, stepping forward to start the ball rolling. Funding is coming from an end of the year appeal to which school and church families, alumni, grandparents, and others have generously contributed.

What has happened next is a testament to the dedication of parents and staff, alike. Thanks to Joy Nelson, RCA parent and designer, we have a beautiful floor plan in keeping with the color scheme now in place at Redeemer. RCA students, parents, and teachers came together one morning to remove books and shelving to make way for new shelving, furniture and carpeting.

We can’t wait to show you pictures of the finished room. Better yet, stop by and see for yourself!

BACK TO SCHOOL BBQ
This event is for all church and school families, and is open-house style. Here’s the schedule:

10:45 – outdoor worship for all on the front lawn
12:00 – 2:00 food, open classrooms, the newly renovated media center to view, and an opportunity for parents to set up their child’s supplies in their desks.

RCA SUPPORTS LOCAL 5K RACE
Redeemer Christian Academy had the opportunity to help fund a local 5K race to benefit the MN Law Enforcement Memorial Association, especially in light of fallen police officer Bill Mathews, a member of the Wayzata police force for nine years who was killed Sept. 8, 2017 in the line of duty. Officer Mathew’s badge number was the race number for each child!

Thank you for your prayers and your support of our day school ministry! Enjoy the change of pace of summer days and the blessings that come with them!
Charlie Melton, grade 4, has a little fun as he helps Mrs. Wiebold clean out old files in preparation for newly donated furniture in her office.

**Summer Sing-Along Continues in August**

Did you know “He Touched Me” written in 1963 was the song that introduced Bill and Gloria Gaither to the church? Bill’s pastor said “You should write a song about Jesus touching people.” Bill responded by writing this beloved song. Since 1964, Bill and Gloria Gaither have written more than 800 songs and continue to sing and lead their “Homecoming Concerts” in Anderson, Indiana.

Did you know Fanny Crosby wrote more than 9,000 hymns? Miss Crosby became blind in childhood due to medical malpractice, but turned this ailment into one of the church’s greatest gifts. She wrote “Blessed Assurance” in 1873, when one of her musical friends played her a new tune. Fanny immediately gave it the title “Blessed Assurance.” One of her songs, “To God Be the Glory,” written in 1873, never impressed her American audiences. But 81 years later, in 1954, Billy Graham and Cliff Barrows used this song in a London Crusade and it became instantly popular in England, and eventually in the United States.

Hymns and spiritual songs have a way of touching the heart. Please continue to share your favorite hymn titles with Music and Worship Director Dan Oie. Some of our favorite hymns will continue to appear throughout the church year.

“Grace Notes”  

Under the theme “Grace Above All,” participants gathered at the Verizon Center in Mankato, MN, for the 27th Biennial Minnesota South District LWML convention on June 29-30, 2018. Each day began at 7:15 am with Bible Studies on “Grace” through Word, Baptism and Holy Communion, led by District LWML Counselors, Griffin, Nelson and Wessel. Under the grace of God, in Christ I am called as a servant to use my gifts for the furtherance of His Kingdom was the convention goal.

The gift of “generosity” was evident in the 321 registered participants by the 553 Global Health Kits, 438 Baby Kits and 997 individual baby items brought in, and the 16 volunteers who stepped in to sort, count and box these gifts. (Tim Anderson, of Redeemer, was one of those “Delegate Husbands” who answered the call for volunteers. Thank you, Tim for your service.

The agenda for the convention was interspersed with Bible studies led by Rev. Dr. Gary Zieroth (Assistant Professor of Pastoral Ministry and Missions, Fort Wayne Seminary), inspirational speakers Rev. Ben Griffin (Ex. Director of LINC Twin Cities) and Rev. Ryan McDermott (Area Facilitator for Deaf Ministry West and Central Africa) and, of course, BUSINESS!

A Mission Goal of $265,000 was adopted and 13 of 21 mission grants were chosen. (See the complete list on the LWML bulletin board in the lower hallway.) New officers were elected and installed. It was a great time of spiritual refreshment and renewal.

Zone Presidents shared their creativity and talents in a “Shaped to Serve,” luncheon, based on II Corinthians Chapter 4, which will also be the theme of the Lake Minnetonka Zone’s Winter Retreat sponsored by the Christian Life committee in late February or early March. More details to follow.

Other dates to remember:
† SUNDAY, SEPTEMBER 30—LWML Sunday
† SATURDAY, OCTOBER 27 AT 9:30 AM—Lake Minnetonka Fall Rally here at Redeemer, featuring “Gideon,” Minnesota’s comfort dog. All ages are invited. More details to follow.
† Redeemer’s LWML will resume meeting in the conference room monthly for Bible Study on TUESDAY, SEPTEMBER 11, 2018 AT 10:00 AM. All ladies are invited. We will not meet in August.

You Spoke, We Listened!

Effective Sunday, September 9th, the late (contemporary) worship service will begin at 10:30 a.m. instead of 10:45 a.m. The early service will not change; it will begin at 8:15 a.m. The educational hour (Adult Bible Class and Sunday School) will also stay the same, beginning at 9:30 a.m., but will and end at 10:15 a.m.

The time change gives contemporary worshipers the chance to have a full worship service and still be out the door before noon, something many folks think is important. You spoke, we listened!

Thank you for your input!

Remember the date: September 9th; remember the times: 8:15 a.m., 9:30 a.m., 10:30 a.m.!
GREETINGS FROM THE REDEEMER ASP MISSION TEAM!  
Annette Vetse, Youth Director

On July 7th, we loaded up two vehicles with all of our gear for eleven of us (4 adults and 7 youth) to head to Louisa, KY, to spend a week serving with the Appalachia Service Project (ASP). It was an early morning and a long drive to a church where we spent the night in Columbus, Indiana. They were gracious enough to feed us dinner and breakfast the next morning as well as put us up for the night so that we did not have to spend our hard-earned fundraising money on hotel accommodations and meals. All we have to do, is pay forward the kindness.

We arrived at the ASP Center, Trinity Christian Academy, in Louisa, KY, which is the county seat of Lawrence County by 4:00 on Sunday afternoon. That evening we met the staff (4 college-aged girls with varying ASP experience), the other volunteers (about 12 from NC and about 50 from NJ), learned the “lay of the land” and met the two families we will serve for the week. Our group of 11 will be divided into two work crews that will each be assigned to a family to do whatever work was promised by the ASP Center Staff to make the home warmer, safer, and drier for the family. On Sunday evening we also got to see the homes and the work that was entrusted to us for the week.

On Monday morning we rolled out of our cots, had breakfast, packed lunches, loaded our vehicles with tools and supplies, and made our way out for our first day on the work sites. Monday is typically a slower day in ASP land that allows for time to assess the work we need to do, but more importantly, build relationships with the families we will be serving (those who know and love ASP, know it as a relational ministry with home repair on the side). In the evening we went back to the Center to shower, clean up, eat dinner, have an evening gathering that includes worship as well as a devotion or learning more about the community we are serving.

We follow the same basic schedule Monday - Friday with one evening devoted to spending time with our families and the other volunteers at a picnic and one night focused on learning more about the culture and community of Lawrence County. As I am writing this, we have not yet come to Friday, but Friday is usually a tough day in ASP land, as some groups may run out of work to do while others frantically stay until the last minute to finish up a project. Throughout the day we will all have the dreaded “good-bye” on our minds.

(Greetings continued on page 9)
There are typically many tears as the volunteers hug their family members for the last time and drive out of their driveway and down the mountain back to the Center. I know I have had to pull the van over and get myself together more than once after these tear-filled goodbyes. ASP friends are forever friends and they somehow have a deeper impact on one’s heart than you could ever imagine in such a short time.

That evening we will have a gathering at the center to share about our week and spend one last evening with the staff and other volunteers. Of course, we will need to take time to clean out our vehicles, clean up the center, and pack up our belongings as well because we will be leaving in the morning and the staff needs to get ready for the next group to come in to take our places. Saturday morning we will once again load up the vans, this time with a changed heart and a bit of fatigue to head for home. The drive home is typically much quieter than the drive down as all of the adrenaline has been spent and there are many thoughts and reflections of the week running through our heads. We will stop at the Creation Museum Ark Encounter on the way home, spend the night in a hotel in Lafayette, Indiana, and make our way back to Wayzata on Sunday evening.

Thank you! Thank you so much for your financial contribution to this mission and for the prayers and support as we have prepared for and embarked on this adventure. As we return please pray for us. Pray for our travels. Pray for God to use us at home as he did in KY. Pray for our families to see the change in our hearts. Pray for the ASP Staff. Pray for the new families we meet in Louisa, KY. Pray for the mission of ASP - A mission that from the start, had the hope that someday their services would not be needed. Unfortunately, the need in the Appalachian Mountains today has not subsided since Tex Evans created the ministry 50 years ago. (In the summer of 2016, ASP had 26 summer centers and served 493 families with the help of approximately 16,000 volunteers like us. Unfortunately, ASP was only able to help 1 in every 8 families that sought help that summer.)

You are a blessing and we are so thankful for all YOU have done to make this trip possible!

**FEEDING JESUS**

Have you ever made enough food to feed 25? Many of you probably have fed a Thanksgiving or Easter crowd that size. How about 25 thousand? On July 10th, 75 people (16 from Redeemer) gathered at Feed My Starving Children headquarters in Chanhassen and assembled 25,000 meals – individual bags full of rice, soy, vegetables, vitamins, and minerals – food that will be sent to hungry people in Haiti, the poorest country in the western hemisphere.

The 25,000 meals are enough to serve 80 children for an entire year!

**Feed My Starving Children**, a charity that feeds millions of people every year, invites church groups and others to come and help pack food bags. Redeemer’s involvement was the brainchild of one of Redeemer’s new small group ministries: M.O.M.S. (Moms on a Mission). This new group will meet on Wednesday evenings starting this fall.

M.O.M.S. is led by Amanda Dehmer and Lindsay Kuphal. Their vision is to support mothers with practical parenting skills, as well as nurturing a servant’s heart in their children. About half of the Redeemer folks helping to pack food bags were kids. What a great way to learn, first hand, how to be a servant by helping the truly needy. And as we help the needy, Jesus tells us who we really help: “Then the righteous will answer Him (Jesus), ‘Lord, when did we see You hungry and feed You, or thirsty and give You something to drink? When did we see You a stranger and invite You in, or needing clothes and clothe You? When did we see You sick or in prison and go to visit you?’ The king will reply, ‘I tell you the truth, whatever you did for one of the least of these brothers of Mine, you did for Me’” (Matthew 25:37-40).

Helping the needy is truly helping Jesus, when we help as an expression of love for our Savior.

Stay tuned for more information on Wednesday evening activities for M.O.M.S., as well as servant event opportunities. Let’s keep feeding Jesus!

**REDEEMER 5K Run—September 30**

Mark your calendars and spread the word to your runner/walker friends - the 3rd Annual 'Run with Heart' 5K will be held the afternoon of **Sunday, September 30th**. The Rusty Taco food truck has already been reserved!

This year’s proceeds will go towards the scholarship fund and the ASP mission trip fund. More info is available at [ASPhome.org](http://ASPhome.org).

Want to help make this another fun event? Please contact Erin at [Erin@climbawayconsulting.com](mailto:Erin@climbawayconsulting.com) or Annette at [youth@redeemerwayzata.org](mailto:youth@redeemerwayzata.org).

We think there is a lot of opportunity to grow the sponsorship program for the event, as it is mutually beneficial for Redeemer and for the sponsors. We could use another set of hands to develop this piece.

Along those lines, if your company would like to sponsor the event, please contact Erin or Annette.

Happy Training!
