“WHO’S COUNTING?”

13,000! I was amazed when Donna showed me that number on her new Christmas present the other day: her Fitbit fitness watch. It showed that Donna had already walked some 13,000 steps in one day. It’s amazing how steps add up in a busy person’s life. Little by little, great things happen.

6,207! Another amazing number, this time from the efforts of many generous friends and members of Redeemer. On Wednesday, January 9th, Redeemer’s auditorium was buzzing with activity and excitement. After a delicious pizza and salad supper, 60 kids and adults listened as Bryce Johnson, Coordinator of Church Relations for New Life Family Services, spoke about the many life-affirming ministries of this wonderful organization.

Then we got to work, bundling the 6,207 diapers that had been donated to New Life over the past few weeks. These diapers will be given to new moms who have chosen life for their babies, but who face challenges providing resources for their children. Many of Redeemer’s children also wrote notes of encouragement to the moms who will be receiving diapers for their babies (see picture). Thank you, people of God, for working together to help the needy in the name of Jesus!

1,000! Another amazing number that God’s people will work toward on Wednesday, February 27th, when we gather for our next service project on Faith & Family Night. “Project 363” is a ministry that provides food and other resources to the homeless in the Twin Cities area. Redeemer’s goal is to donate 1,000 sandwiches to this amazing ministry run by Allan Law, a devoted Christian man who loves the homeless and personally delivers thousands of sandwiches to the needy every evening. Mark your calendars to come and make 1,000 sandwiches for the needy. Look inside this newsletter for more information.

God doesn’t care exactly how

HOW IS REDEEMER DIFFERENT FROM OTHER SCHOOLS?

Redeemer Christian Academy provides the platform for powerful Godly mentoring relationships with your children. Children have the opportunity to interact daily with Christian caring, mature adults and to learn lessons that address their spiritual, emotional and physical maturity, as well as their academic maturity. We are able to address the whole child’s needs. The truth of God’s Word permeates every aspect of Redeemer Christian Academy life and your children will see the adults around them demonstrate the personal application of that truth every minute of every school day. Can you put a price tag on the close relationships your children will develop with adults who consciously promote and model authentic Christianity? We don’t think so.

Teachings for a lifetime

We teach the SMART program in K-3 every day. The SMART Program is a multi-sensory approach to learning based on brain research and emphasizes stimulating the brain and body to promote richer connections among the neurons. We pair movement with an educational component such as identifying alphabet letters or sight words at the kindergarten level. It helps children practice and retain what they’ve learned. In a nutshell, movement anchors learning. We’re proud that we teach this program and have seen much success through it, as have the Hopkins, Minneapolis, Bloomington and Minnetonka school districts.

We offer teachings for a LIFEtime (Learning, Integrity, Faith and Excellence) in all we do. We teach handwriting, mastery of math facts, and memorization skills.

Tours are also available afternoons by appointment by contacting Linda Wiebold at lwiebold@redeemerwayzata.org or calling 952/473-5356. Check out our website at www.school.redeemerwayzata.org for more information.

PRAYER REVIVAL FOR REDEEMER
THE POWER OF PRAYER CALL -- MONDAYS AT 8:00PM

In this modern world, people are so busy that it’s extremely hard to find a time and place to schedule a prayer team to pray for our church, our Pastor, fellow members, school, persecuted Christians around the world, as well as the needs of individuals.

Realizing the power and advantage of a conference call to assemble many, please join in on Mondays at 8:00pm by calling 605-472-5440 and entering passcode 972429. The call is expected to last about 30 minutes.

The main focus for this eight-week period, through the first week of March, is to make Redeemer great again and saturate God’s House with prayer.

Standing on scripture - Matthew 18:20: “For where two or three are gathered together in my name, there am I in the midst of them.”

For more information contact Leslee Stewart at: leslee.stewart@hotmail.com.

A special thank you to our wonderful volunteers Vi Schulte, Marlene Gabbert, Jan Hilgenkamp and Cheryl Davis!

Each week they straighten the hymnals and Bibles, and make sure there are pens and all cards are in place.

Presidents Day
February 18
No School | Office Closed
Hopefuly, many ladies attended the Christian Life Retreat on January 26, 2019, at Victory Lutheran Church, 16200 Berger Drive, Eden Prairie, MN and were refreshed by the Bible Study led by Counsellor Rev. Michael Michalk.

Funds for the purchase of items for the Servant Event were provided by Thrivent. The Dwelling Place, a transitional facility for women and children was the happy recipient.

DO YOU KNOW? The Minnesota South District LWML publishes a quarterly newsletter called WOM (Women on Mission) which is available in the rack in the lower hall. The Winter issue has an article regarding The Dwelling Place, and how God is working through them.

BABY CAPS (all sizes) ….that is our service project for the months of January, February and March. All women of Redeemer who knit or crochet are invited to join us in making these caps. Use whatever yarn you choose as long as it is soft for these tender little heads. Check out the display in the lower hall.

PRAYER SHAWL MINISTRY: Members are still actively providing shawls to those we learn about who can use a “hug” and prayers and encouragement.

Bless these hands, oh Lord, as they knit and crochet baby caps and shawls, and bless the recipients of these caps and shawls and may they feel the love offered. Amen

First of all, I’d like to thank those who have brought in the bags from their Sunday papers. There is a basket in the copy room, next to the Braille press (that big thing covered with a heavy tarp) to place them in. We are using them in wrapping all of our books being shipped overseas to keep them dry from the elements.

This month (January) we will be shipping 25 books to India, six books to Nigeria and one book to Wiley Ford, West Virginia.

DID YOU NOTICE? There was a name change as of January 1, 2019 to more clearly define what it is we do.

Following is part of an e-mail LBW received from a father in Pennsylvania, who learned about LBW from friends and ordered a free Braille Bible for his daughter. “Thank you for helping my 10 year old daughter feel like she belongs. She received her first free Braille Bible volume this week and was able to participate in Sunday School. I was in tears when she came home from church on Sunday so filled with happiness.”

That is what this ministry is about!

Please remember this ministry in your prayers. Pray for the volunteers and the recipients of these Bibles.

Be a volunteer! Contact Anna Gerber @ 952-475-9168 or by e-mail: gerberanna525@gmail.com. Training will be provided! I promise to keep it simple!

Provide financial support. LBW survives on donations from many sources such as Thrivent Choice Dollars, Grants from LWML, generous donations from Congregations and donations from private parties like you. Donations may be made through Redeemer with a check to Lutheran Braille Workers or a check to Redeemer Lutheran with Lutheran Braille Work Center #12 in the memo and given to Steve Swanlund.
363 SERVICE PROJECT — FEBRUARY 27TH

Feed the hungry and help those in trouble, then your light will shine out from the darkness.

Isaiah 58:10

Allan Law will come and talk to us about this important mission of feeding the homeless every day of the year. He will take the sandwiches and deliver them to those in need.

Dinner will be served at 5:30 followed by the service project.

Come on WEDNESDAY, FEBRUARY 27TH for this special Faith and Family service project.

For more information, contact Rie Schibilla (Compassion Circle) 612-803-5824 or Pastor Steve.

A free-will offering will be taken to help with the cost of the bread, meat, and cheese.
**COMMUNION BY INTINCTION**

Christmas Day and December 30, 2018, we introduced the new pottery that was used for Intinction Communion.

*Intinction: The Eucharistic practice of partly dipping the consecrated bread, or host, into the consecrated wine before consumption by the communicant.*

This pottery was donated by retired teachers, Richard and Sandra Pullen. We thank you for your beautiful work.

Redeemer Youth Group has been busy!

We spent a weekend in November at Trout Lake Camp for a Fall Retreat, but with all of the snow it felt much more like a Winter Retreat! Even with the snow, the 18 youth and 4 adult leaders had a great time playing pool, competing in a dodgeball tournament, crate stacking, zip lining, competing in scavenger hunts, etc., all while building relationships within our group. But most importantly, we were able to disconnect from our every day lives and strengthen our relationships with God through the worship band led by Spencer Grimes, the guest speaker Tom Richards and all of the staff at Trout Lake Camp.

As I write this, we are currently in the midst of planning our Winter Retreat—a weekend in late January participating in an Arctic Blast at Camp Lebanon. This retreat will be attended by 12 Redeemer youth and 3 adult leaders. I am sure we will do many of the things we did at the Fall Retreat, but one of the big draws for the Winter Retreat is the Broom ball Tournament! Of course, just like the other retreats, we cherish the time away from home allowing us to connect with others and with God through our worship time, multiple sessions led by guest speakers, and our small group time. Please be praying for us!

As you may know we are also planning for our summer ASP (Appalachia Service Project) mission trip (ASPhome.org). We currently have 19 people on the roster, which is up by 8 from our group of 11 last year! I am so excited that our team has grown and want you to know that we do have room for more - if you have ever thought about going on a mission trip, please contact me ASAP so we can get you caught up on the fundraising and training! Don't worry, you don't need to have construction skills or have experience working with youth. Trust me, or better yet trust God! He may not always call you to a task you are equipped for but he will always equip you for that task that he calls you to do! I know this from first hand experience and have seen it noted as true many times within the ASP mission.

We will spend the second week in July working as the hands and feet of Jesus to not only make homes warmer, safer, and drier as led by the ASP Summer Staff, but also to build relationships and love the families we are called to for the week. Our group will divide up into 3 work crews and will work in the homes of 3 families. They say that ASP is a relational ministry with home repair on the side and I believe that to my core. Each crew will spend the week not only completing repair work, but also getting to know the families, sharing lunch and stories with the families each day, and learning to love others that are so different from themselves. By the end of the week, tears will be shed over how much was done and over how much is left undone for the families and the community in which we serve in the Appalachian Mountains of Kentucky.

We thank the church for the love and support (prayerful and financial) that has been sent our way as we plan, train and fund-raise for this mission. If you are looking for a way to help, here are a few ideas:

† Join us! ASP volunteers can range in age from 14 (or completion of 8th grade) to 100!
† Pray for us!
† Drop your kids off for a babysitting night (or two or three) and thank us for your night out with a generous donation. The next one is February 16th.
† Hire us to help you with chores or odd jobs in exchange for funding for our trip.
† Donate tools that we can bring along with us on our trip. (New or used.)
† Make blankets or other gifts we can bring to the families we serve.

I also want to take a quick moment to thank all of you for your kind words and words of encouragement for me, the youth group, and our mission team. We couldn't do what we do without all of you!

YOU are a blessing!

**SATURDAY MORNING MEN’S BIBLE STUDY**

**STEPPING UP — A CALL TO COURAGEOUS MANHOOD**

Saturdays, 7:00-8:00am
Folkestone Auditorium, 100 Promenade, Wayzata

Many men find it difficult to identify acts of courage while slogging through the daily challenges of home, work, and community. Yet these are the very battlefields where courage is demanded of them every day.

In this 10- session video series, Dennis Rainey, cofounder of Family Life, calls men to boldly forge into courageous manhood. In this study, Rainey prepares men to bravely master their life purpose by developing a strategic plan and establishing a winning vision by banding together with other men and to go deeper.

2018 ANGEL TREE RECAP AND HEARTFELT THANK YOU!

Many thanks to the dedicated Angel Tree team: Gretchen Blount, Veena Waller, Cynthia Pannier, and Stacy Klone. The process goes smoothly with these willing workers. And thanks once again to all who felt moved to provide gifts for the kids on behalf of their prisoner parents. Gifts were provided for approximately 45 kids in 21 families.

When we communicate with the families and deliver the gifts, we are often touched by these people. There are so many stories, but I thought I’d share one example with you, provided by Cynthia:

“My first delivery I was greeted by T---, her son, (who turns 10 Christmas Eve), and three year-old twin daughters. Her son asks who I am. She says I’m helping his dad in delivering gifts from him for Christmas.

T--- is so grateful for these gifts and shares how blessed they are for everything. I ask how I can pray for them. She asks for a prayer of blessing over her family. I pray for them. As I’m leaving, one of the beautiful girls comes up and wraps her arms around me in thanks. I return the hug. Not to be outdone, her twin does the same. The boy also extends his thanks. As I leave, my heart is filled with joy for this special family - a family that’s thankful and blessed despite their circumstances. The tears start to fill my eyes again as I prepare for my next stop.”

A blessed winter to you all.
