“Truth On Display”

What do Redeemer Christian Academy students do when school is out? Visit the ark, of course! The Ferber family enjoyed a day of discovery at “Ark Encounter” in Williamstown, Kentucky, in mid-June.

Completed in 2016, the full-sized replica of Noah’s ark is 510 feet long, 85 feet wide, and 51 feet high. It is the largest timber-frame structure in the world! Even more impressive is what you find inside: three decks of life-like animals (including dinosaurs!) in wooden cages, display after display of how the animals might have been fed and watered, and life-like figures of Noah and his family in their living quarters.

While the creators of Ark Encounter have taken great pains to answer questions about life on the ark, and to offer high-tech scientific evidence for the flood, the greatest strength of this amazing exhibit is its clear presentation of the Gospel of Jesus Christ.

That’s because the creators of Ark Encounter know that, more important than the “how” of the flood and the ark is the “why.” Why did the flood happen? Sin brought the floodwaters of destruction of all human life on earth except Noah and his family. One day, sin will bring Final Judgment to the world. The only way to escape God’s judgment is through faith in His Son, Jesus Christ, who was judged in our place on the cross and rose from the dead.

The Ark Encounter creators know that the reality of the flood is foundational to our faith and salvation. As the sign (from Satan) inside the ark reads: “If I can convince you that the flood was not real, then I can convince you that heaven and hell are not real.”

Jesus spoke of the flood, and His return, as absolute reality:

WE GIVE THANKS FOR 41 YEARS OF FOCUSING ON FAITH, ACADEMICS, AND FAMILY!

Each end of the school year I have the privilege of working with the teachers in planning for the next school year. Part of the process is acknowledging and giving thanks for the happenings of the past year. I’d like to share a list, exhaustive by no means, of what came to our minds during our planning time. We are thankful for:

† Sandy Tutka sharing her love for students, her passion to help the underdog, and sharing her vast scientific/medical background with us for the 14 years she’s been making a difference at our school. We’ll miss her dearly!

† We are so thankful for moms, dads, grandmas, and grandpas who are so willing to be involved to help us in our mission to help children be firm in their faith and be able to stand strong.

† Watching our students grow in their faith walk. They often teach us!

† Redeemer school alumni who come back to visit us and share what’s going on in their lives. They make us teachers stand stronger in what we do when they share stories of how they’re using what they learned at Redeemer, and how Redeemer is still impacting their lives. At our 8th grade graduation I had the alumni stand up to be acknowledged. There were 25-30 of them! This place is a strong family!

† The maturity of faith in some of our students blows us away. It’s such a pleasure to partner with you, as parents, in helping your child to be the best that they can be.

† Leadership skills are quite evident in our students.

† We are thankful for our custodian, Jim Menzel, who not only cleans up after us but is almost like a grandpa to so many students who crave his listening ability. You do know he’s married to Cinderella and lives under a bridge, right? (That’s what he tells the younger students. J)

† We are grateful to Tammy Melton, School Secretary, who hugs/high fives/ and greets each person each day as they enter our school. She shares her heart for Jesus with all, and is such a prayer warrior for so many.

† There isn’t space to list all the blessings we share at this fabulous faith-filled, family-oriented school! You have to experience it yourself to know what a special place this is.

ENROLLMENT UPDATE

Our PK 4-5 year old class is full, our kindergarten class has 4 openings, and our first grade class has only 2 openings left. We praise God for the way He’s blessing our school. We still have openings in our Preschool 3 year old class, as well as grades 2-8. My prayer is that you’ll share our faith, academic, and family focus with those in your circle of influence. Contact Linda Wiebold, School Administrator, for a tour at lwiebold@redeemerwayzata.org or 952/473-5356.

“As it was in the days of Noah, so it will be at the coming of the Son of Man…” (Matthew 24:37). Sin, the flood, death, judgment – all are tragic realities of a broken world. But forgiveness of sins, the resurrection, everlasting life – all are glorious realities for God’s people who repent and believe in Jesus. Go and see Ark Encounter – you’ll be glad you did!

In Christ,

Pastor Steve

THANKS! Plastic bags from Sunday newspapers continue to appear in the basket by the Braille press each week. We appreciate your support very much. We are also thankful for the supply of cardboard and paper donated for shipping. Gradually, the storage area is getting organized, making preparing our shipments easier.

Our Work Center will be taking our press, binder and punch down to Trinity First Lutheran Church, 1115 E. 19th Street, Minneapolis for a Servant Event with youth from the LCMS National Youth Gathering. 40 youth and their chaperones will be bussed from the Minneapolis Convention Center to Trinity First Lutheran Church. The Servant Event runs from 9:00 to 11:30am.

Several “visually impaired” friends will be joining the group for fellowship and games, interacting with the youth. The youth will also be learning about Braille, learning to print Braille on the Perkins Braillers that are being brought in from LBW headquarters. At 11:30 the youth and their chaperones will be bussed back to the Convention Center and our “visually impaired” members of Fellowship for the Blind will meet as usual, sharing a lunch and a time of fellowship and worship before they return home.

Working with the blind and visually impaired takes patience, understanding and a willingness to “slow down”. They need explanation of what is next, what obstacles might be in the way and how together we work our way around those obstacles, especially in unfamiliar situations. Trinity First will be unfamiliar to them.

May the Lord bless each participant in this Servant Event.

**Summer Sing-Alongs Continue in July and August**

“Let everything that has breath, praise the Lord.”
(Psalm 150:6)

“I will sing with my spirit, but I will also sing with my mind.” (1 Corinthians 14:15)

Our Lutheran Service Book is filled with many hymns that we could never include during the Sundays of the year. Some of these are unfamiliar to us, or are written for a special church festival or occasion.

Music Director Dan Oie will explore the lost hymns of our maroon hymnal during our summer Sundays of worship. Please write down your favorite hymns and give them to Dan. If you have a story of how a Christian song has impacted your faith, please share that.

Summer Sing-Alongs will continue through Labor Day weekend.

**Roar VBS Is History!**

Thanks to all our families for your participation in ROAR 2019. We had 68 students enrolled from Pre-K through Grade 5, along with a dozen youth leaders from Grades 6 – 9, and 10 adult teachers and leaders. Our daily stories used African animals to share a theme each day.

- **Mack the rhino** taught us “When life is unfair, God is good!”
- **Zion the lion** taught us “When life is sad, God is good!”
- **Savanna the giraffe** taught us to remember to say “When God is good, God is good!”
- **Hooper the hoopie bird** taught us “When life is scary, God is good!”
- **Marge the cape buffalo** taught us “When life changes, God is good!”

Each day the children were reminded to look for “God sightings” in their world and in their life, to help that know that God is alive and working, even if we can’t see God.

Our IMAGINATION STATION was loaded with fun gizmos. The HUNGRY HERD CAFÉ used food combinations in unique ways and our STAMPEDE SPORTS exercised our muscles. Daily worship used exciting African songs and rhythms to praise God.

Thank you, Redeemer, for a wonderful week of VBS.

Reedeemer Wayzata Prayer Ministry

The Prayer Ministry is entering its fifth month. The Monday night weekly conference call is on SUMMER HOURS—9PM. Just dial in to 1-605-472-5440, then ENTER access code 972429.

Matthew 18:20 tells us “For where two or three are gathered together in my name, there am I in the midst of them.”

Redeemer’s strength is our dependence on the Word.

But, like a twin-jet plane, our church has two engines, the Word and our Prayers. Technically, planes can fly with one engine, or perhaps land with only one engine functioning. Even large jet planes can fly with a single engine, but would any pilot want to take off with only one engine functioning? Just how comfortable would any of us be on a plane where one engine malfunctioned?

How desperate would your prayers be if you were a passenger on a plane with engine troubles or in a bad storm? Consider lifting up prayers together in that same fervent manner for so many needs in our church, our community, and the World Church.

Together, we seek Revival and Welcoming Families for our church. We confess that we don’t have the ability to do anything of eternal value, but our Heavenly Father does!

1 John 5:14 This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us.

Please add time on Monday evenings into your busy schedules to join in praying for concerns and thanksgiving.

Calls usually last 30 minutes. Note that this phone number is not toll free.

Voice your prayers or be part of the silent prayer warriors on our call.

MEN’S BIBLE STUDY
SATURDAYS- 7:00 to 8:00 AM
Folkestone Auditorium - 100 PROMENADE, WAYZATA

Something about this world just isn't right. There are so many voices phishing to get inside our heads. It feels like we’re being "hacked." Spiritually hacked. These are turbulent times to be a man. In gathering material for this book, Morley interviewed many men. No one understands what you’re going through more than Patrick Morley, author of the landmark bestseller The Man in the Mirror, which has sold over 4 million copies. His new book The Christian Man is filled with powerful stories and refreshingly practical answers to questions like: How can I lead a more balanced life? How can I have a deeper walk with God? What makes a great husband? How can I become a dad who makes a difference? How should I think about my work? What's the right way to deal with lust?

LIFE LIGHT BIBLE STUDY

LifeLight Bible study is on summer break, but invites you to study the New Testament book of Hebrews on Thursday mornings beginning September 12th from 9:30-11:30am in the Conference room. For more information, contact Eva McAtee (763-476-1827) or Judymae Bowers (763-476-0913.)

WEDNESDAY MORNING BIBLE STUDY CONTINUES IN JULY AND AUGUST

Are you looking for a short-term, once a month Bible Study? Come get your feet wet, and try out a Bible study this summer. Once a month on Wednesdays, July 17th and August 21st, the ladies at Redeemer will gather to study God’s Word.

The study is entitled, "Coffee with the Savior", and we will meet at 10:00 in "The 115," the coffee cove in the back of the transept off the Sanctuary. God invites us to drink coffee (or tea), share stories, and study His Word together. So grab a cup of coffee, your friends, and your Bible, and spend some time with your Savior.

For more information contact Mary Sund at 763-233-2417 or Linda Krantz at 763-476-0587.
**WELCOMING FAMILIES CAPITAL CAMPAIGN**

Sunday, June 2nd was Celebration Sunday. It was a time set aside to thank God — the giver of all good gifts — for the generous outpouring of support for our *Welcoming Families* capital campaign. As of May 30th, $862,528 has been pledged. Seventy-three households have made pledges and pledges continue to be received by the campaign office. In addition to this total, we have received a pledge of a legacy gift.

We asked everyone to participate whether the gifts be large or small. We are thankful and humbled by the outpouring of responses.

Our future growth depends on welcoming new families and sharing Christ’s love with them. It’s exciting to see how God will work through our ministry efforts through both our faith in Him and our generosity. Imagine how many new families will be impacted by the message of Christ’s love through His work here because they have walked through our doors and felt like this is a place where they can belong.

When you make your donations to the campaign, please write a separate check from your regular offering and in the memo line write “*Welcoming Families* capital campaign.”

If you have not yet made a pledge or gift, we ask you to prayerfully consider your part. We invite you to give generously according to your ability to help us take the next steps to make Redeemer a more welcoming place for new individuals and families to experience Christ’s love.

Shout with joy to God, all the earth!
Sing the glory of his name;
make his praise glorious!

Say to God, “How awesome are your deeds!
So great is your power
that your enemies cringe before you.
All the earth bows down to you;
they sing praise to you,
they sing praise to your name.”

Come and see what God has done
how awesome his works in man’s behalf!
He turned the sea into dry land,
they passed through the waters on foot —
come, let us rejoice in him.
He rules forever by his power,
his eyes watch the nations —
let not the rebellious rise up against him.

*Psalm 66:1-7*
The response to the capital campaign has been wonderful. Praise God for the faithfulness of His people. As of June 17th, we have received pledges totaling $887,910. A total of $290,454 in cash has been received.

A project committee consisting of Leah Fasching, Joy Nelson, Loren Krantz, Hank Radintz, Steve Krause, and Steve Swanlund has been meeting on a regular basis. With the approval of MMLG, we are undertaking two projects; renovation of the auditorium and repair & replacement of the sanctuary roof.

Mint Roofing has been contracted to test and identify the cause of the leaks in the narthex. We will be seeking bids from multiple contractors for both the repair of the leaking roof as well as for replacement of the sanctuary’s shingled roof. The plan is to complete all roof work this fall.

The auditorium remodel will include new flooring, wall coverings, suspended ceiling, LED lighting, cabinetry for the coffee area and a new stage curtain. Selecting materials and securing bids is in process. We have had the auditorium, church lobby, kitchen and restrooms tested for asbestos. Asbestos abatement will be required in the auditorium. Clearing the area and demolition work has begun. Construction will continue throughout the summer with a plan for completion by August 15th.

We are seeking volunteers of all skill levels. This is a great opportunity to serve and be a part of this exciting effort and this is also a “Service Hour” opportunity for RCA parents. Please contact Loren Krantz to volunteer at (612) 807-0480 or lorkrantz@aol.com. We need help in the following areas:

- General clean up labor
- Masonry
- Carpentry
- Drywall finishing
- Painting
- Plumbing
- Electrical

Watch for visual project details to be posted in the church lobby. Please feel free to make comments or suggestions either by sending an email to campaign@redeemerwayzata.org or in writing to the church office.
