“I ONCE WAS LOST…”

On Wednesday, October 9th, Redeemer’s Faith & Family night will present the recently released movie entitled “UNBROKEN: PATH TO REDEMPTION.”

This film begins where the hit movie “UNBROKEN” concludes, sharing the next amazing chapter of the unbelievable true story of Olympian and World War II hero Louis Zamperini.

Haunted by nightmares of his torment, Louie sees himself as anything but a hero. Then, he meets Cynthia, a young woman who captures his eye - and his heart. Louie’s wrathful quest for revenge drives him deeper into despair, putting the couple on the brink of divorce - until Cynthia experiences Billy Graham’s 1949 Los Angeles Crusade, where she’s brought to faith in God and given a renewed commitment to her marriage and her husband. Now, her most fervent prayer is for God to help Louie find the peace and forgiveness he so desperately needs. “UNBROKEN: PATH TO REDEMPTION” brings to life the rest of this powerful real-life story of forgiveness, redemption, and amazing grace.

Because of its length (1 hour 38 minutes), we will begin the movie at 5:30 p.m. This will be a “dinner theater” experience; enjoy the movie while you eat! We will begin serving the meal at 5:15 p.m. By the way, this movie is rated PG 13; there will be other videos and activities for under-age children during the movie.

Please see the inside of this newsletter for all of our fall Wednesday evening Faith & Family events, especially our October activities that include Voice of the Martyrs Action Pack night (October 2nd), Answers in Genesis Bible study for Adults and kids (October 9th), and speaker Sean Jensen presenting “Intentionality (in Parenting)” (October 30th). Faith & Family is off for MEA on October 16th.

Bring a friend to this gripping, true story of a man who, like us, “once was lost,” then found by God’s amazing grace through Jesus Christ.

In Christ,

Pastor Steve
OUR TEACHERS ARE SUPERHEROES AND IT MAKES A DIFFERENCE IN OUR STUDENTS’ LIVES

Every child deserves a superhero, an adult who will never give up on them, who understands the power of connection, and insists that they become the best that they can possibly be. That describes our teachers - superheroes for their students.

That’s making a difference.

Aside from taking the time during school or staying after school to review concepts with students, our teachers work with students one-to-one on how to make friends and be a friend, encourage those who are frustrated, and hug students who feel they are not good enough or are a little sad.

That’s making a difference.

Our teachers offer after-school study halls so they can be available to answer student’s questions. Our teachers take the time to coach students during P.E., also working on character-building as part of that coaching. Learning how to win and lose graciously is a skill to learn, and we teach it.

That’s making a difference.

Learning … Integrity … Faith … Excellence

**Wednesday Morning Bible Study Starts New Book**

Starting on **Wednesday, October 16th**, the Wednesday Morning Women’s Bible Study will start a new study book: **Growing Older & Wiser**.

Life expectancies have stretched, but the Bible reveals that human nature has not changed. Wisdom does not automatically come with age. However, we can get wiser as we get older, if we tap into the eternal wisdom of God. In this study we will read about older people who got older and wiser, and people who, well, just got older. We will find honest expressions of fear and hope as the years accumulate and death looms closer. Throughout all of these stories we will find the constancy of God. God has made us for Himself, and mere physical survival is not our highest goal. No matter how many years we accumulate on this earth, we are offered God’s gift of eternal life in Christ Jesus.

You are invited to join us on Wednesday mornings at 10:00 in the Gathering Room as we look into God’s Word; growing wiser and becoming more like Him. So join us starting on the 16th, and bring your Bible and a friend!

For more information contact Mary Sund at 763-233-2417 or Linda Krantz at HeyLindaMom@aol.com.

Thank you Stacy and Welcome Kris—August 25 Reception

submitted by Rie Schibilla

Our Redeemer congregation gathered between services on Sunday, August 25th, to say goodbye to Stacy Klone and thank her for her years of service to Redeemer. We will miss her smiling face in the office and we are thankful for everything she did above and beyond the office duties.

We also welcomed our new office administrator, Kris Hanson.

Thank you to the Compassion Circle for hosting this event.
**TEEN CHALLENGE IS COMING! LET’S FILL THE Pews!**

On Sunday, October 13th, Minnesota Adult and Teen Challenge will be giving a free concert at Redeemer Lutheran Church during the 8:15 and 10:30 a.m. worship services.

We are thrilled to welcome this amazing organization! Adult and Teen Challenge offers Christ-centered, faith-based solutions to youth, adults, and families who struggle with life-controlling problems including drugs and alcohol. We will be hearing many true stories of God’s power to change lives. Along with testimonies of God’s amazing grace, the Adult and Teen Challenge choir will inspire us with heart-felt songs of worship.

*If you are tempted* to stay away because this service makes you feel “uncomfortable,” or it is not your style of worship, please consider this: last year a young man approached me and introduced himself as one of the Teen Challenge choir members at the previous year’s concert at Redeemer. He has since graduated from the program and is in ministry. He said, “Pastor, I want you to know what an encouragement it was for me and the others to have your congregation welcome us so warmly, to feed us, and to sit with us at the potluck. I left feeling truly supported.”

Imagine this is your son, your daughter, or perhaps…even you. What a difference one person can make in another’s life. Please! Come, fill the pews, minister to these precious folks in the name of Jesus. Lunch will follow the second service. Stay tuned for news about what you can bring to the lunch to help feed these hungry souls!

**COMING SOON TO SUNDAY MORNING ADULT CLASS!**

“**MARTIN LUTHER: THE IDEA THAT CHANGED THE WORLD**”

Two years ago, on the 500th anniversary of the Lutheran Reformation, a new film on the life of Martin Luther was released by PBS. Funded in part by Thrivent Financial, this wonderful new look at the life, ministry, and legacy of Luther will be shown during the Adult Education Hour beginning **Sunday, September 29th, at 9:30 a.m.**

Over six Sundays (September 29th through November 3rd) we will watch portions of the movie and discuss important topics with the help of a Companion Bible Study. You will enjoy this fresh look at Dr. Luther and grow in your faith through the Bible Study.

Come to this wonderful experience, and bring a friend! Even if they’re not Lutheran, they will benefit from the Biblical foundation of the film and the Bible study, and enjoy the fellowship of other believers. We will meet in the Gathering Room for the adult class until the auditorium is ready for us.
Faith, Family, & Fellowship Continues its Fall Schedule!

Redeemer’s Wednesday night ministry has something for everyone, young and old.

The revamped Faith & Family nights at Redeemer feature a monthly movie, a monthly speaker, a monthly service project, and a monthly Answers in Genesis Bible study night. Parents and youngsters will study the same A.I.G. Bible study topic but with different materials, giving families the opportunity to discuss at home what they learned at Bible Study, with the help of a family devotional booklet if desired.

September’s Wednesday nights featured the movie presentation of “The Cross and the Towers,” speakers Jim & Lynne Jackson from Connected Families on the topic of “sibling rivalry,” and an A.I.G. bible study.

See the insert to the right for a complete listing for October, November, and December. Every evening’s main event will leave enough time at the end for “d & d” -- dessert and discussion, for those who would like to stay for a few minutes and debrief among friends, or make new friends.

Serve, learn, and grow in a fun, informal atmosphere of Christian fellowship for the whole family! Dinner every Wednesday is at 5:30 p.m.; Events begin at 6 p.m. unless otherwise noted.

**Braille Ministry News**

From time to time questions pop up while we are working in our Braille Center. It’s good, because it shows we are thinking about the task at hand, not just “passing the time away, mindlessly.”

Our production is done in English-Grade 2. No, it’s not for second graders. Grade 2 is a contractual form of Braille. It ties together common words and phrases, just as we combine the phrase “I will” to “I’ll” or “we had” to “we’d.” The Braille alphabet has a certain number of letters just like our alphabet. Now the question arose, why English? We send our copies to Nigeria, Kenya and other countries. Why do we send them English print. A little research resulted in a little surprise. There are 250 ethnic groups in Nigeria, representing 521 languages. But English is the official language of most of the African countries as they were once colonies of Great Britain.

Isn’t that interesting? In October we will be sending most of our 32 copies to Nigeria and Kenya.

Last summer, word was received that Lutheran Braille Workers (LBW) had received an order from the Bible Society of Indonesia for 500 complete Bibles. The zinc plates for the Indonesian language had been retired and stored back in 2012. They are being taken out of storage and assigned new homes in 27 work centers across the country. Another order for 700 complete Bibles in Kiswahili for Tanzania has been received. These are already in production in the centers.

LBW received a grant some time ago to produce plates for the English Standard Version of the New Testament. These plates are now ready and production has begun.

With all this happening, LBW could use more volunteers in our Ministry Centers. If the Lord lays it on your heart to serve Him in this manner, please let us know. Currently, we work on Monday and Friday afternoons, from 1:30 – 3:30 (including set-up and clean-up). Fridays are “catch-up” days and a good place to begin, as it’s the beginning of the process, using the punch and numbering pages and assembling sets. It is easy, sit down type of work for those who can not stand for long periods of time. JUST CURIOUS? Stop by on Friday afternoon. You will be blessed!

**MEN’S BIBLE STUDY**

The Men’s Bible Study meets Saturday mornings from 7:00 to 8:00am in the Folkestone Auditorium (100 Promenade, Wayzata).

Something about this world just isn't right. There are so many voices phishing to get inside our heads. It feels like we’re being "hacked." Spiritually hacked. These are turbulent times to be a man. In gathering material for this book, Morley interviewed many men. No one understands what you’re going through more than Patrick Morley, author of the landmark bestseller The Man in the Mirror, which has sold over 4 million copies. His new book The Christian Man is filled with powerful stories and refreshingly practical answers to questions like: How can I lead a more balanced life? How can I have a deeper walk with God? What makes a great husband? How can I become a dad who makes a difference? How should I think about my work? What's the right way to deal with lust?

SANCTUARY ROOF REPLACEMENT UPDATE submitted by The Capital Projects Committee

The Capital Project Committee has been working on identifying issues with the church roof, and securing bids for roof repair and replacement. The leaking issues appear to be in the narthex and choir loft. Major leaks occur when we have rain accompanied by strong winds. In June, flood testing was done of the flat roofs of the steeple and over the stairs to the choir loft to determine if the roofs were in fact leaking. During this process, it was determined that the leaks are caused by cracks in the mortar joints in the stonework, and also where the metal flashing meets the stonework of the steeple roofs.

The shingled pitched roofs are badly in need of replacement, however at this time we do not believe they are the source of the leaks. The flat roofs also are in need of replacement, but also do not appear to be leaking.

Tuck-pointing in conjunction with the pitch and flat roof replacements appears to be necessary to solve the leaking issues.

We have been working with roofing contractors and tuck-pointing contractors on quotations for the repairs. We’ve received three roofing quotations, and have made a preliminary selection. Three tuck-pointing contractors have been to Redeemer and looked at the project. To date we have received one quotation, and expect to receive two more by the beginning of October.

Unfortunately, after contacting 10 tuck-pointing contractors, it became apparent that the tuck-pointing industry is very busy, and no one will commit to the project until Spring.

These two projects, tuck-pointing and roofing, need to be done at the same time. The Committee’s intention is to reach an agreement with roofing and tuck-pointing contractors to start work in the Spring.

SUNDAY WORSHIP & PRAISE: 8:15am and 10:30am, COFFEE & FELLOWSHIP: 9:15am, CHRISTIAN EDUCATION-All Ages: 9:30am

Worship Time Change Coming November 3rd!

The Elders and the MMLG of Redeemer have approved a slight shift in starting time for the early service and Adult Education Hour. **Beginning Sunday, November 3rd**, our Sunday morning schedule will look like this:

**Early Service**: 8:00am
**Adult Class/Sunday School**: 9:15am
**Late Service**: 10:30am

The times have been changed in order to give the Adult Education Hour a full hour, so that Pastor Steve and the members of the class can enjoy a better time of fellowship and Bible study, and so that Pastor has time to greet people coming to the late service.

This time change will coincide with the end of Daylight Savings Time, also on November 3rd. We can remember that when we change our clocks, we change our worship schedule!

It will take a while to get into the new routine, but in the end, it will be better for the whole Sunday morning experience.

Thank you for your patience!
